A huntress for socrifices ???

Why do you think I rescued you, looked after you, and have taken you all the way here ?

You are implying that you took me here to socrifice me ...

Today was the deadline, you see. I was going to be socrificed.

You got me good there for a moment. Disappearing like that while I was asleep...

And then you almost ruined the ritual once more by falling like that ... I have to shove a dagger into your heart first, you see.

I, I thought you were my friend ...

Well, there are two socrifices now. Shall we begin the ritual ?!

W, wait ... Aren't you the fire woman ?!

...

Puhahaha -

Do you really think such a person really exists ?!

Hey, Seong-Ho, say something !

I am sorry ...

?!

W, what the ... So, you tricked me into saving that bitch ?!

Tell me I am wrong !

You see, the gossip ...

I started it.

Why would you even need to spreod o gossip like thot ?!

We ore powerful enough now. We needed something else to toke o further step forword to show the world whot we ore copoble of.

Now !
Let us begin !

I don't wanna die like this !

?

Who ...

You ... came to help !

I am so glad that I spared you !

Hahaha ! How easy it was to kill the fire Goddess ! I must thank you, Rai !
